B. Accomplishments:

A major step was taken in the direction of increasing the climate for a coup [REDACTED]

[REDACTED] Tentative moves were made in [REDACTED] planning for increasing economic pressures. And additional intelligence was collected about PDC internal maneuverings in connection with a military coup.

C. Situation:

Latest reporting indicates that key PDC ministers are continuing efforts to get Frei to have the military intervene or authorize them to order the military to make its move. Meanwhile Minister of Economy Zaldivar's public address describing the rapid decline of the Chilean economy may have set the stage for follow-up economic action. [REDACTED]
